## ABOUT ME

I am a person that gets inspired by what he likes, which has led me to the world of programming and development. I desire to continue learning, facing new challenges and applying my knowledge in a new working environment.

## WORK EXPERIENCE

06/11/2023 – 01/06/2024 Buenos Aries, Argentina

**FRONT-END DEVELOPER** ABS-TI SA

Web development for two big projects, one called Investors Trust, which is a financial Institution from E.E.U.U., and Allianz, which is an insurance company from Spain. In both projects I worked in the development of screens and features using Angular with TypeScript.

10/06/2022 – 01/11/2023 Buenos Aries, Argentina

**FULL-STACK DEVELOPER** 5SEIS | INNOVATIVE BRAND EXPERIENCES

Web development for multinational companies such as META, Mondelez and Iveco using various types of technologies (React, Angular and Vanilla), non-SQL database management and server configuration for projects.

## PROJECTS

### Meta - Brand Experience

Development of the Landing Page and Mailing system for an international Meta event.

### ABS-TI SA - Investors Trust

Development of a complex and structured financial app with a lot of functionalities and features, like Order Management, Broker Management and Securities Managements.

### Mondelez - Expert Academy

Development of a courses website, that segments users by type and gives them differential access within the auditorium of the page.
